2016 Top Doctor – Medical Oncology, 2016 Seattle Magazine  
2017 Top Doctor – Medical Oncology, 2017 Seattle Magazine

Board Certification:

1988 Internal Medicine  
1991 Medical Oncology

Licensure:

1994 State of Washington, #MD00032212  
1988 State of California, #G063003 (inactive)

## Curriculum Vitae

David G. Maloney, M.D., Ph.D.

### Professional Organizations:

1992-Present Associate Member, American Association for Cancer Research  
1995-Present Member, American Society of Hematology  
1994-Present Member, Southwest Oncology Group Lymphoma Committee  
1998-Present Member, NCCN Committee on Hodgkin's Disease  
2001-Present Member, American Society of Clinical Oncology  
2002-Present Member, Puget Sound Oncology Consortium Lymphoma Leukemia Committee  
2003-Present Member, Waldenström's Macroglobulinemia Clinical Trials Collaborative Group  
2005-2007 Member, ASCO Scientific Program Committee  
2006-2012 Member, Lymphoma Research Foundation, Scientific Advisory Board (LRF-SAB)  
2007-Present Member, CLL Global Research Foundation US/European Alliance  
2008-2009 Member, LRF-SAB Follicular Lymphoma Consortium Planning Group  
2010-Present Member, American Society for Blood and Marrow Transplantation  
2011-Present Member, Guild of American Luthiers  
2011-Present Member, Puget Sound Mycological Society  
2012-Present Member, LRF Panel of Scientific Advisors

### Editorial Responsibilities:

1999-2005 BioOncology Watch  
2000-Present Clinical Lymphoma Journal  
2002-2004 Journal of Clinical Oncology

### National and International Responsibilities

2002-Present Member, External Advisory Board Iowa/Mayo Lymphoma SPORE  
2005-Present Reviewer of Grant Applications, LLS Specialized Center of Research (SCOR) Program  
2005-Present Reviewer of Grant Applications, Lymphoma Research Foundation  
2006 Reviewer, NHLBI Board of Scientific Counselors Ad Hoc Intramural Research Program  
2006-2007 Track Leader for Lymphoma and Plasma Cell Disorders, ASCO Scientific Program Committee  
2007-Present Reviewer of Grant Applications, CLL Global Research Foundation US/European Alliance  
10/2008–2010 Member, Independent Data Monitoring Committee, Wyeth Phase III Trial of CMC-544 in Combination with Rituximab in the Treatment of NHL  
2009-Present Member, External Advisory Committee, NIH Program Project Grant *Bone Marrow Grafting for Leukemia and Lymphoma*, Stanford University School of Medicine Cancer Center  
2009-Present External Reviewer, Barts and the London School of Medicine Lymphoma and Leukemia Program  
2009 Member, Disease Specific Treatment of Relapse Committee of the first NCI-sponsored International Workshop on Biology, Prevention, and Treatment of Relapse after Allogeneic Hematopoietic Cell Transplantation  
2010-2011 Member, NCI P01 Clinical Studies Special Emphasis Panel  
2010 Member, Data Safety Monitoring Board, HemaQuest Phase 2a Open-Label Multi-Center Study Evaluating HQK-1004 Administered with Ganciclovir and Valganciclovir in Patients with Relapsed or Refractory Epstein-Barr Virus-Positive Lymphoid Malignancies or Lymphoproliferative Disorders  
3/2010-2/2015 Co-Chair, CIBMTR Lymphoma Working Committee  
2012 Member, NIH Cancer Immunopathology and Immunotherapy Study Section  
2012 Reviewer of Grant Applications, LLS Therapy Acceleration Program  
2013-Present Reviewer of Grant Applications, LLS Translational Research Program  
2014 Member, Diffuse Large B-Cell Lymphoma Subcommittee of the NCI Lymphoma Steering Committee  
2014 Member, NHLBI Opportunities for Collaborative Research at the NIH Clinical Center Special Emphasis Panel  
2014 Participant, NIH Office of Biotechnology Activities, Recombinant DNA Advisory Committee, Bioethics Discussion  
2015 Participant, NIH Office of Biotechnology Activities, Recombinant DNA Advisory Committee, Cytokine Release Syndrome After T-Cell Immunotherapy  
2015 Member, NIH Special Emphasis Panel/Scientific Review Group Oncology 2 Translational Clinical Integrated Review Group for Cancer Immunopathology and Immunotherapy

Curriculum Vitae

David G. Maloney, M.D., Ph.D.

2016-Present Member, Foundation for the Accreditation of Cellular Therapy (FACT) CAR-T Cell Task Force

Local Responsibilities:

1997-2001 Member, Institutional Review Board Committee B, Fred Hutchinson Cancer Research Center  
2001-Present Chair, Institutional Review Board Committee B, Fred Hutchinson Cancer Research Center  
2002-Present Member, Conflict of Interest Committee, Fred Hutchinson Cancer Research Center  
2002-Present Chair, Institutional Review Office Informed Consent Subcommittee, Fred Hutchinson Cancer Research Center  
2002-2006 Chair, Institutional Review Office Public Health Sciences Subcommittee, Fred Hutchinson Cancer Research Center  
2004-2005 Member, Division of Oncology/Fred Hutchinson Cancer Research Center Search Committee  
2006 Member, Division of Hematology/Seattle Cancer Care Alliance Search Committee  
2007 Chair, Institutional Review Office AE/Protocol Deviations Subcommittee, Fred Hutchinson Cancer Research Center  
2007-Present Member, Institutional Review Office Chair Liaison Subcommittee, Fred Hutchinson Cancer Research Center  
2008 Member, Myeloma Search Committee/Fred Hutchinson Cancer Research Center  
2014-Present External Member, Scholarship Oversight Committee, Pediatric Hematology/Oncology Fellowship Program  
2014-2016 Member, Immunotherapy Steering Committee, Fred Hutchinson Cancer Research Center  
2014-Present Member, Bone Marrow Transplant Internal Review Committee, Fred Hutchinson Cancer Research Center  
2014 Member, Bone Marrow Transplant Research Work Group, Fred Hutchinson Cancer Research Center  
2015-Present Member, Immunotherapy Clinical Operations Oversight Program, Seattle Cancer Care Alliance  
2015-Present Member, Institutional Review Office Genetic Guidelines Subcommittee, Fred Hutchinson Cancer Research Center  
2015-Present Member, Research Executive Committee, Fred Hutchinson Cancer Research Center  
2016; 2018 Chair, Platinum/Immunotherapy Faculty Search Committee, Fred Hutchinson Cancer Research Center  
2016-2017 Member, Immunotherapy Integrated Research Center Advisory Board, Fred Hutchinson Cancer Research Center  
2017 Member, Vaccine and Infectious Disease Division Faculty Search Committee; Fred Hutchinson Cancer Research Center  
2018-Present Member, Seattle Cancer Care Alliance Executive Quality Committee
